Map and Directions

The Maritime Greenwich campus is positioned right in the centre of Greenwich alongside the River Thames. As such, it has excellent public transport links with buses stopping right outside, and national rail stations within easy walking distance. However, Greenwich often suffers from traffic congestion and car parks can get very busy. The campus itself has no parking available for large numbers of delegates.

By road

From the M25, exit at Junction 2 onto the A2 towards London. The distance is then approximately 15 miles. The A2 will merge into the northbound A102 (from East London, join the A102 via the southbound Blackwall Tunnel). Before reaching the Blackwall Tunnel, exit the A102 via the slip road for the A206 Trafalgar Road and follow the signposts for Greenwich. Continue into Greenwich along this road for approximately one mile and shortly after the BP garage, turn right at the traffic lights into Park Row. The campus is on the left through East Gate. There is also a public carpark on the right hand side of Park Row.

Full directions by road can be downloaded from [AA Route Planner](#) by using the postcode SE10 9LS.

By train

[Southeastern Trains](#) provide direct services from London Charing Cross, Cannon Street, Waterloo East & London Bridge to [Greenwich](#) or [Maze Hill](#) Station on Dartford/Gillingham via the Woolwich Arsenal line. Journey time is 12 minutes from London Bridge. The campus is in Zone 2.

Prepay OysterCards are now valid on Southeastern Trains. Please remember to swipe in and out on exit.

Directions by public transport can be found via the Journey Planner on the [Transport for London](#) website.

By Docklands Light Railway

The [DLR](#) operates to the East of London and down to Lewisham in South-East London via [Cutty Sark](#) station. This makes it particularly convenient for Greenwich campus and is just two minutes walk from the campus West Gate (by Stephen Lawrence Building). Direct services run from Bank, Canary Wharf, Lewisham and Stratford and easy connections are available from Tower Gateway, Beckton and London City Airport.

Additionally, the DLR network has expanded to [Woolwich Arsenal](#) station, providing fast links to Europe via [London City Airport](#), as well as direct train links further into Kent.

By London Underground (Tube)

The [London Underground](#) tube network is not close enough to walk from and will require transfer onto other public transport. The best option is to get off at Canary Wharf ([Jubilee Line](#)) and get a DLR Lewisham bound train to Cutty Sark. Alternatively you could get off at North Greenwich (Jubilee Line) and take a 188 bus to the campus.

By bus

The following buses stop directly outside the campus: 129, 177, 180, 188, 199, 286, 386. You can download a bus route map for the Greenwich area [here](#).
